

# STAY HEALTHY!

Dear Family,

I'm here for a visit—*Santa gave the okay!*  
It's just for a while, I really can't stay.  
But I wanted to check and to see if you're well.  
Are you doing your part in this difficult spell  
by washing your hands many times every day?  
Try singing a song—*it's a fabulous way*  
*to count out the time that it takes to get clean!*—  
so sing *Jingle Bells* because germs can't be seen!  
Back at the North Pole, our schedule's on track  
and we're staying healthy so we can come back!

Love,
