

Candy Cane Holders

Materials:

- Color printer
- Scissors
- Tape

Instructions:

All your red-and-white striped sweets will look even better in festive holders, made especially for you by your Scout Elf. To make these creative candy cane holders, your elf will:

1. Print and cut out the Elf Pets® Saint Bernard and Elf Pets® Reindeer candy cane holders.
2. Cut small slits on the Elf Pets® Reindeer candy cane holder along the blue lines.
3. Place a candy cane in the Elf Pets® Reindeer holder by flipping it over to the blank side and inserting the straight end of the candy cane into the lowest slit on the paper.
4. Flipping the holder back over and pushing the end of the candy cane through the top slit on the holder.
5. Place a candy cane in the Elf Pets® Saint Bernard holder by folding the tabs over the candy cane and using tape to hold them shut.
6. Leaving out the scrumptious striped sweets for you to find!
