

Leaf Garlands

You'll Need:

- Leaf template
- Card stock
- Scissors
- Twine/String
- Needle
- Glue

Instructions:

- 1.) Print and cut out each shape on the following pages on card stock. Print out as many pages as you need to create a garland of the desired length.
- 2.) To assemble the leaf garland, string each leaf onto the string using a needle and thread (parents only).
- 3.) Once you have strung all of the leaves onto the string, you're ready to hang your garland in a special place to enjoy all season long!
- 4.) Helpful hint: for a more durable garland, you may use the shapes included in this printable as stencils to cut out leaves made of felt.

Please remember that when attempting the craft included in this printable children should always be supervised by an adult. When using crafting supplies or products, always read manufacturer's instructions and warnings.
