Instructions:

- 1.) Don't worry about wrapping all of the presents this year, the scout elves have a special surprise up their sleeve! Using white paper, they'll print off The Elf on the Shelf® printable gift tag template and cut out each tag with scissors.
- 2.) Using a hole punch, the elves will cut out the hole on the left hand side of the tag.
- 3.) Using ribbon, the elves will use the tags to put the finishing touches on the Christmas presents that they wrapped! Thanks to your thoughtful scout elf, gift wrapping will be a breeze this year!
