

# Welcome Back Breakfast

## Materials:

- Mini waffles
- Mini chocolate-covered donuts
- Festive table decorations
- Paper
- Scissors
- Precision cutter
- Tape

## Instructions:

Start the day off right with this festive breakfast featuring pint-sized items that your elf handpicked for your family! Using all of the red, green and white table décor they can find, your elf will set the table in Christmas colors and fill each plate with teensy-weensy waffles and dwarfish donuts! As a finishing touch to the table, your elf will:

1. Print out the next page and cut out the hexagon and star to create placeholders.
2. Use a precision cutter to make a slit along the dotted line in the center of the hexagon.
3. Fold the paper in half along each straight line (marked by the arrows), crease the paper and unfold it.
4. Grab two triangles that are side by side and hold them together.
5. Fold the other triangles into the two being held until there is one triangle.
6. Hold the top of the triangle (where the slit is) and fan the triangle out into a tree shape with six sides.
7. Tape each point of the tree together on the inside using tape.
8. Write a name on the yellow star and place it into the slit on the tree.
9. Lay out the mini tree placeholders for each breakfast guest!
