

Candy Launcher

Materials:

- Color printer
- Paper
- Tape
- Wooden craft sticks
- Hot glue gun
- Gumdrops

Claus Couture Collection® Clothing

- Sweet Tees

Instructions:

Game on! To create a fun new way to pass the time until Christmas, your Scout Elf will:

1. Print and cut out the target.
2. Use tape to secure the target to a wall.
3. Create a gumdrop launcher by taping 10 wooden craft sticks together and securing two craft sticks on either side of the bundle, perpendicularly, using a hot glue gun (see image).
4. Put on a Sweet Tee and begin launching gumdrops at the target!
