

# Jukebox Jive

## Materials:

- Color printer
- Card Stock
- Scissors
- Tape

## Scout Elves at Play™ Tools

- Holiday Harness

## Claus Couture Collection Clothing

- Rockin' Reindeer Skirt

## Instructions:

Scout elves sure know how to have a swinging good time! To create a thrilling throwback party, your scout elf will:

1. Print and cut out the jukebox, music notes and records.
2. Fold the jukebox along the dotted lines.
3. Use tape to attach the jukebox's back inside flaps to the side flaps of the front of the jukebox.
4. Place the top of the jukebox inside the open area at the top of the jukebox and use tape to adhere it to the jukebox's sides.
5. Use tape to decorate the room with the mini records and music notes.
6. Put on the Holiday Harness and Rockin' Reindeer Skirt and dance all day! (Helpful hint: the Holiday Harness works best on smooth surfaces, like mirrors or tile!)
