## Materials:

- Color printer
- Paper
- Scissors
- Tape
- Family photos

## Scout Elves at Play™ Tools

- Holiday Harness

## Instructions:

Your scout elf thinks your family photos could use a North Pole upgrade! Using this printable your elf will:

1. Print and cut out the elf hats.
2. Use tape to attach the hats to the outside of framed photos of your family.
3. Perch nearby using the Holiday Harness to watch your delight when you find the funny new photos! (Helpful hint: the Holiday Harness works best on smooth surfaces, like mirrors or tile!)
