

Crafty Christmas Cards

Materials:

- Color printer
- Card stock
- Scissors
- String (multiple colors)
- Pom-poms (optional)
- Glue

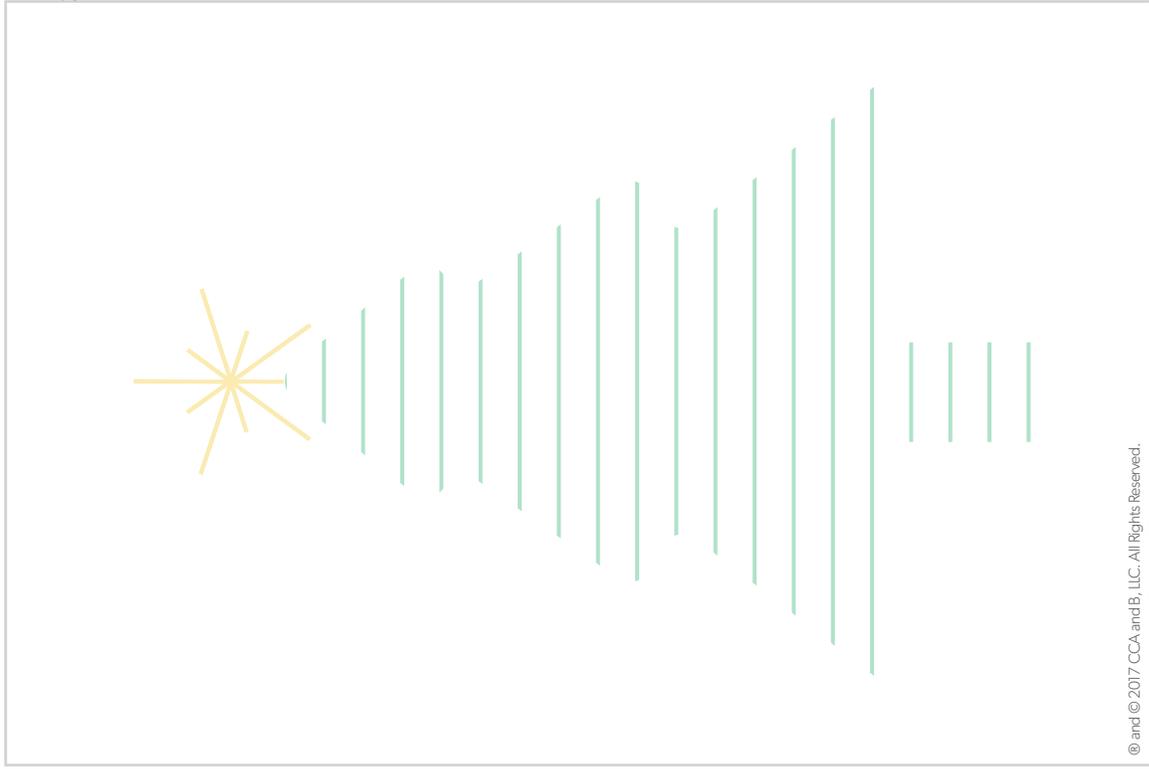

Instructions:

Your Scout Elf crafted some unique Christmas postcards for you to give to all your friends and family this season! To make the cards, your elf will:

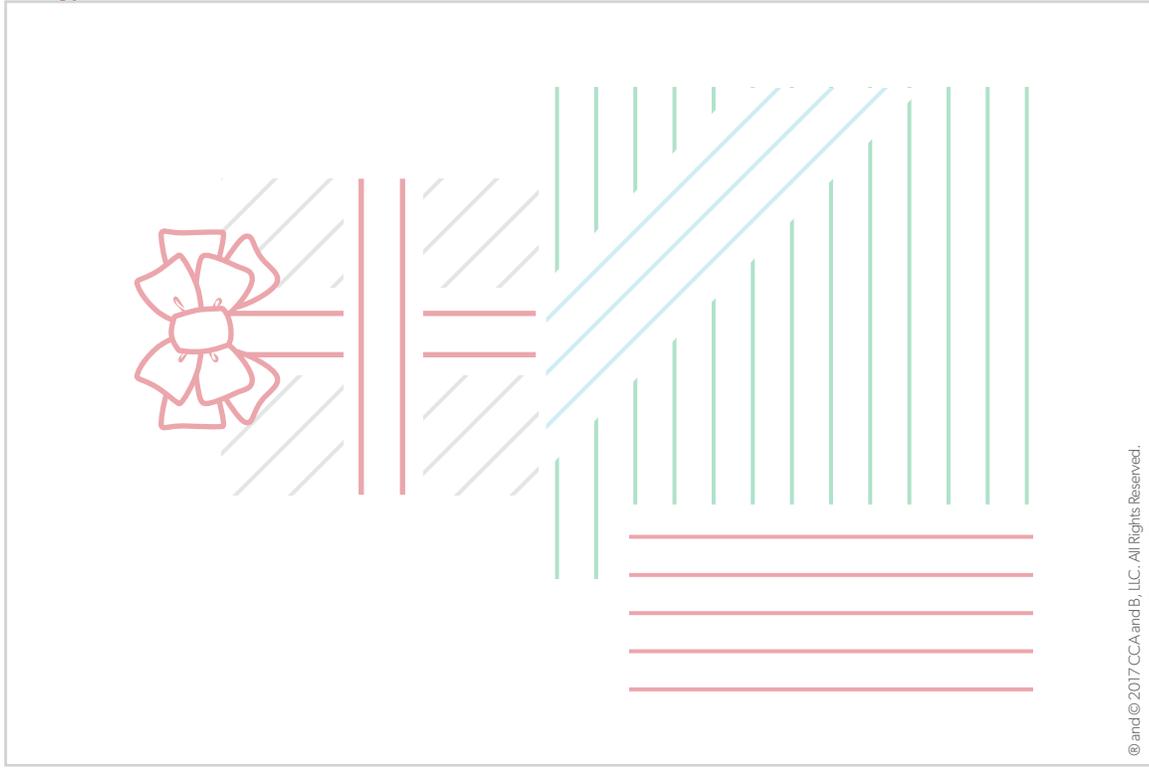

1. Print and cut out each card.
2. Use the lines on the front of the postcards as a measurement guide, and cut out string in identical length and color to the guide lines on each card. (Helpful hint: for the snowman card, your elf will use whatever colors of string they choose!)
3. Glue each string to its corresponding line.
4. (Optional) Glue a pom-pom to the snowman's hat—and on other cards to make them 3D.
5. Leave out these crafty cards for you to give this Christmas.
