

North Pole Story Time

Fill in the blanks below by choosing words from the bank at the bottom of this worksheet, or come up with your own words for a totally unique story!

A Crazy The Elf on the Shelf® Adventure

I was sitting on a _____ just the other day in _____. “What a silly place to sit,” I thought. So I decided to _____ to the nearest shelf.

Just then I noticed _____, the family dog. He had seen me moving and I clearly caught his eye. Maybe if I just _____ right here, he won't notice me. But no matter how hard I tried, it didn't work. That is when I decided it would be a better idea to _____ over to the _____ instead. Still, the dog was on his way to investigate and I was worried I was about to become doggie _____.

It was time to use some Christmas magic. I closed my eyes, _____ times, said the magic words, “ _____,” and ran in _____, and when I opened my eyes the dog was gone.

_____! I guess you don't always need Christmas magic. It looks like acting _____ will do the trick!
