

Christmas Matching Game

Put your memory skills to the test with the Scout Elves' Christmas Matching Game! Print out the tiles below, and arrange them in a 4 x 4 square. With your family, take turns flipping over two tiles at a time. If you find two identical tiles, place them face up in front of you, and give yourself 1 point. If you do not make a match, turn the tiles back over and let the next player try. Keep playing until all the matches are found. To make the game even more challenging, print out the tiles below twice, so there are double the matches to be found!
