

Name: _____ Date: _____ Class: _____

Identify Homophones

Homophones are two words that have the same **sound** but different **spelling** and **meaning**.

Circle the pair of homophones in each sentence!

Ex. My Mom says I have to wait four more days
for Santa to come.

1. Santa comes on Christmas whether the weather is good or bad.
2. I wish I could see the twinkle in Santa's eye!
3. I always write Santa and tell him that I've behaved and done everything right.
4. I wish I could see Santa's sleigh as he flies high above the sea.
5. I wonder if Santa would still come down the chimney if wood is burning in the fireplace.

6. There are many things scout elves enjoy, but their favorite thing is spending time with boys and girls.
7. The reindeer do not like it when their reins get in a knot.
8. The elves exercise during the week so they won't get weak as they travel back and forth to the North Pole.
9. I really wish I could tell Santa "hi" or "bye" as he flies by.
