## Christmas Math Crossword

Solve the math problem, then write the number out in the crossword.

The first one is done for you!

### Across

- How many antlers do reindeer have?  $150/75 =$  two
- What date in December is Christmas Day?  $12 + 13 =$  twenty five
- What is the number of the month that Christmas is in?  $36/3 =$  twelve

### Down

- How many times a year does Santa come?  $1 \times 1 =$  one
- How many times can you touch your elf?  $365 \times 0 =$  zero
- How many times does Santa make the sound "Ho?"  $25 - 22 =$  three
- If there are 9 reindeer, how many hooves are there in all?  $9 \times 4 =$  thirty six
