

Elf Face Masks

Materials:

- Color printer
- Card stock/paper
- Printable
- Scissors
- Scout Elves at Play® Candy Cane Cable or household string
- Needle or small hole punch

Instructions:

1. First, your elf will print and cut out one of the masks included in the printable.
2. Next, using a needle or a small hole punch, your elf will carefully make two small holes on each side of the mask where indicated.
3. Using Candy Cane Cable or household string, your elf will thread a piece of string from the back of the mask into the bottom hole and up through the top hole on the right side. Then, your elf will thread another piece of string through the holes on the left side.
4. Your elf will place the mask over their mouth and nose. They will tie the strings behind their head to secure the mask.
