SCOUT ELF Day TRIP

Yippee! Yippee!

What a splendiferous day! Santa Claus has given me permission to land in this jar as long as I sit up tall and straight, so I can still perform my scouting duties. With this Scout Elf Day Trip Pass, you can carry me around for today only. Just remember—don't touch me! Take this jar with you wherever you go and show me everything you get to see! I'm STOKED! I hope you are, too. I can't wait to hang out with you all day. What a wonderful surprise!
