Spider Web Pattern

Instructions

1. First, your Scout Elf will blow up several orange balloons.
2. Next, they will draw silly jack-o-lantern-like faces on them and string them up across a mantel or door frame with orange crepe paper.
3. Then they use the printable pattern provided and cut out a spiderweb for extra spooky décor!
4. Lastly, your elf may choose to continue decorating with more Halloween pumpkins and artificial spiders!
