To the light display

Who's ready to see some holiday lights?
I am! I am! Take me!
The Big Man in Red said I could come,
and I can't wait to see
the snowmen, reindeer, and trees all trimmed
with twinkling, glittering glow.
Let's get in the car and check them out!
Come on, come on, let's go!

Hard day ahead

Santa knows the day ahead might seem a little blue,
and so, he gave a wink and nod for me to go with you.
Remember when the sadness comes, I'll always be right here
to bring you joy and North Pole love with happy Christmas cheer.

Big day today

Who's got a big day?
You've got a big day!
That's what Santa said.
Who's going with you?
I'm going with you!
There's so much adventure ahead.

Vacation

All aboard! It's time to go!
And no one stays behind!
It's time to take a family trip
so we can all unwind!
Let's pack our bags,
get on the road,
and go see something new.
The best part is that Santa said
... I get to go with you!

Hard day ahead

Sometimes elves have hard days.
Sometimes kids do, too.
So Santa gave permission
for me to go with you.
We'll do this day together and
when the hard part starts,
let's smile at one another
feeling magic in our hearts.

A Special Visit

Someone special, miles away, is getting ready for you
and Santa said (would you believe?) that I may tag along, too!
The lights we'll see! The cookies we'll bake! This Christmas will be the best!
There's nothing a Scout Elf likes any more than family togetherness.

FIELD TRIP/SCHOOL

AT SCOUT ELF SCHOOL WE LEARN THE THINGS A SMART SCOUT ELF SHOULD KNOW.
I HAVEN'T BEEN TO YOUR SCHOOL YET, BUT I WOULD LIKE TO GO!
SO PACK YOUR LUNCH, YOUR BOOKS, YOUR BAG, AND WHEN YOU START TO LEAVE,
I'LL BE READY TO TAG ALONG ON TRIPS 'TIL CHRISTMAS EVE!
