

Growth Chart Wall

Materials

- Wall or door frame of your choosing
- Pencil
- Color printer
- Card stock/copy paper
- Printable

Instructions

1. Your elf will begin by printing and setting out the printable and cute message card!
2. Then they will help kids pick out a wall or door frame eligible for a few pencil markings.
3. Next, kids will back up to the wall while you help to draw a line equal with the tippy top of their head!
4. Finally, keep the measurements going each season when your elf journeys back to your home for Christmas!
