

Scout Elf Tree House

Materials

- Color printer
- Card stock/copy paper
- Christmas Tree
- Printable
- Double-sided Tape
- Scissors

Instructions

1. To begin, your Scout Elf will print, cut and fold the printable treehouse.
2. Next, they will tape all the sides together so it will stay in place.
3. Then they will find the perfect spot in the Christmas tree to place their treehouse!
4. Finally, they will get comfy in their treehouse and wait for kids to notice their arrival!
