

Don't Look Down!

Materials

- [Scout Elves at Play®](#)
[Glide-And-Go](#)
- Two high places in your home (cabinets, door frames, etc.)

Instructions

1. Your Scout Elf will begin by *scouting* out the two highest points in your home.
2. Next, they will make sure the rope for the zipline is secured from point A to B.
3. Lastly, they will go soaring between on their zipline as if they're gliding into your home straight from the North Pole!
