

Christmas Carnival

Materials

- Color printer
- Card stock/copy paper
- Printables
- Straws, skewers, or pipe cleaners
- Tape
- Marshmallows

Instructions

1. First, your Scout Elf will print and cut out each of the carnival printables.
2. Second, they will find straws, skewers or pipe cleaners and tape them to the sides of the printables as standing devices.
3. Third, they will anchor the standing devices into large marshmallows to stand the printables upright.
4. Finally, they will cut out any extra toys or prize printables that they like and host an extravaganzalorious Christmas carnival to celebrate their arrival!
