

I Spilled the T

Materials

- Color printer
- Card stock/copy paper
- Printable
- Scissors
- Mug

Instructions

1. To begin, your Scout Elf will print and set out the printable message card.
2. Next, they will *carefully* use scissors to cut out several T's from card stock or copy paper.
3. Then they may grab a mug to place beside them and their T's to make it look like they just "spilled the tea".
4. Finally, they will find a comfy spot on the counter to set up this adorable idea.
