

Moving Day

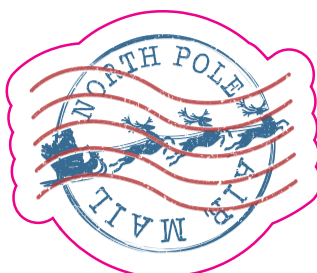

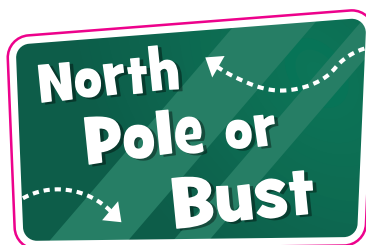

Materials

- Color printer
- Copy paper/card stock
- Printable
- Small boxes or bags
- String
- Toy truck or car

Instructions

1. First, your Scout Elf will load all their boxes into their "vehicle".
2. Second, they will use string to tie things down so nothing blows away on their journey to the North Pole!
3. Third, they will print and cut out the printable message card letting kids know that it's time for them to go until next year!

It's moving day.

I'm packed to go!

**Next Christmas
will be here**

**before you can say
“Ho Ho Ho!”**
