

# Travel Scrapbook

## Materials

- Color Printer
- Copy paper/card stock
- Printable photos
- Scissors

## Instructions

1. To begin, your Scout Elf will print, cut out and set up their travel photos out on the table, in a frame or in a scrapbook where kids can see.
2. Next, kids can flip through the images to get an idea of what Scout Elves do throughout the year after they've departed from your family's home.
